PROJECTS

Health First Blog Website Aug' 24
• **Project Type:** Frontend web development
• **Technology Stack:** HTML, CSS, Bootstrap.
• Developed a responsive health and wellness blog website using HTML, CSS, and Bootstrap. Prioritized user experience by ensuring optimal display across various devices. Created a visually appealing and informative platform to promote health and wellness.

RIDE ON Blog Website Sep' 24
• **Project Type:** Frontend web Application
• **Technology Stack:** HTML, CSS Bootstrap, React.
• By leveraging the power of React, HTML, CSS, and Bootstrap, we will create a visually appealing and user-friendly tech blog that delivers value to our audience.

MOVIE TICKET BOOKING APP Sep'24 - Oct'24
• **Project Type:** Full stack web development.
• **Technology Stack:** HTML, CSS, Bootstrap.
• Developed a dynamic movie ticket booking website with Add-to-cart functionality, Real time movie listings, User-authentication.

CAR Rental Website Nov'24 - Dec'24
• **Project Type:** Full stack Web Application.
• **Technology Stack:** React.js, Node.js, MongoDB, Bootstrap, JavaScript.
• Independently developed a full-stack e-commerce platform. Designed and implemented RESTful APIs for seamless backend-frontend communication. Engineered a scalable MongoDB database for efficient data storage. Built a user-friendly and responsive React frontend. Implemented robust authentication, authorization, and state management. Successfully deployed the application to the cloud.

INTERNSHIP

MERN Full Stack Developer | Brassy Technologies | Tirunelveli, India Aug' 24-Nov' 24
• Developed a Portfolio website using **GSAP** with Scroll Triggers and seamlessly blending animations.
• Built a **React Movie Ticket Booking Application** as a second project providing real-time data of movies using the **MongoDB**.
• Car rental of the home page with **ReactJs** and **Axios** delivering an immersive user experience with slick user interface.

EXTRA CURRICULAR ACHIEVEMENTS

• **Basketball:** Represented school/college team in inter-school and state-level tournaments, showcasing teamwork, leadership, and strategic thinking.
• **Swimming:** Participated in regional competitions and achieved recognition for endurance and speed.
• **Drawing:** Skilled in sketching and creative artwork; contributed to art exhibitions and poster-making competitions.
• **Gaming:** Actively participate in e-sports and strategy-based games, enhancing problem-solving, focus, and decision-making abilities.
